Subject: the compliments keep coming!!

John and staff, I have to "once again" thank you for the wonderful meal and atmosphere you created for Kim/Tim Bhatnagar wedding! John we are still receiving compliments on the outstanding meal and staff. Apparently many of the guests attended additional weddings this fall and according to them nothing came close to what you and Wildwood crew had. Many compliments not just for the food but also for the "friendly staff" that served.

I just had to let you know that what Wildwood offers is certainly fantastic!

Thanks "once again"!
